Hello brothers and sisters,
Our busy season is in full swing and the weather is finally cooperating. With the summer heat, heat related illnesses comes with it. Make sure to drink plenty of fluids and watch for signs of heat stroke in yourself and co-workers. Sometimes we lose sight of our personal life. I recently took my family out of town, a much-needed trip to get away from the demands of the job and long hours. Our families need our time as much as our companies. Now rested and refreshed I’m ready for another week.

Be safe and have a great summer.

Hello Brother and Sisters,

We are in the middle of another busy work season. It started off a little slow due to the poor weather. But the pace of work has steadied in the last few weeks. We are at “full” employment now. So that brings about the opportunity to organize new members. That effort is ongoing.

Here’s a short list of projects that have begun or about to start.
The Hotel at Vikings Lake – $17.5 Mil
Eleven (condos) - $170 Mil
Gateway Tower - $300 Mil
240 Park Ave Apartments - $40 Mil

Have a great summer, we’ll see you in the fall.

Hello Sisters and Brothers,

As you can tell Highway Heavy construction is in full swing, which makes for a good commute no matter what direction you’re going. Some of the bigger projects include: 35W/94 Downtown to Crosstown – 293 mill, 169 Belle Plaine & Jordan Project – 34.3 mill, 35 N Metro Split 50 mill, E Metro River Bridge Bloomington to Burnsville - 127 mill, 694/Rice - 22 mill, and a slew of Curb and Gutter jobs throughout the Metro Area. Needless to say, the bench is empty, as dispatch is slow but not dead. The demand for ambitious individuals is needed so we are constantly trying to organize the non-union.

I do want to commend all of our Sisters and Brothers out here that are able to put in the hours, and as always, it’s my honor to serve you and this Union.

Stay Safe!

WORKING DUES FOR 2019

International and Local Working dues and Market Recovery are deducted from your savings each month. Working dues are figured by a percentage of the total package, therefore the deduction amount will change with the wage increase effective May 1, 2019 (June 1st for Rochester Plasterers).

Union dues will remain the same: Journeyman at $24/month and Apprentice at $17/month. Blockmakers are at $41.50/month and $.10 per hour working dues.

Please note that both of these are eligible as union dues paid when doing itemized deductions for State income tax purposes, so keep track of your hours worked! Save your check stubs! You can call the Union hall in February next year for the exact amount that you can deduct.
