**HAVE YOU RSVP’D FOR RELATED TRAINING? THOSE THAT LIVE 70+ MILES AWAY HAVE YOU RESERVED YOUR HOTEL ROOM? ARE YOU UP TO DATE ON YOUR TIME CARDS? CHECK THE WEBSITE!**

**PLEASE BE RESPONSIBLE!**

With an exciting training season underway, our focus should continue to be “our mentorship role”. Asking ourselves what this looks like should be a constant question. Our stance at the training center will focus on mentorship and refining our apprentices to be the most equipped workforce ever created!

Thank you all for all you do to continue to raise the bar!

### Season’s Greetings

I hope you all had a great summer and fall, at least enjoyed the three or four days of fall. The holidays are approaching fast once again as they always do. As this year comes to a close, we had another busy year.

I would like to wish all of you a Happy Thanksgiving and a Merry Christmas. Hopefully I’ll see many of you at our area Christmas party in December.

In solidarity,

Jarrod Asleson

Hello Brother and Sisters,

We are having another Fantastic year; hours are up 55,000 as of August. We need the weather to cooperate this fall so contractors can get the site done. Next year St Paul Public Schools has 3 projects of 30 Million each along with many other school districts with Multi-million dollar projects. I hope everyone has a safe Holiday Season hope to see you all at the Christmas party on December 3rd.

Fraternally,

Brian

Hello Brothers and Sisters,

The winter season will be upon us soon. It has been a busy year, and we expect it to continue. Our year to date work hours has increased, albeit rain showers seem to occur every other day.

Thank you for being the safest, most productive workforce on the jobsite. I look forward to seeing you on the jobsite and the Christmas party.

There are many work opportunities available going into this fall/winter. Please call the Union Hall to be placed on the “out of work” list if you are laid off. FYI, the MN Department of Labor requires you to do so in order to receive unemployment benefits.

Be thankful, be merry and be jolly this holiday season.

Fraternally,

Chad Morris
Hello Brothers and Sisters.

Another busy year is rapidly coming to a close. I want to welcome all new Journeyman and Apprentices. I hope you all get a chance to come to one of the Christmas/Holiday Parties.

It has been another busy year with still more work to come throughout the Winter for the Plasterers and Cement Masons. Some of the larger projects in the area are the 18 story Block 9 project with McCough in Fargo that continues. Ames 20th Street Underpass in Moorhead and inlet structure for the Fargo diversion in the future. Minot Hospital project with Northland Concrete throughout the Summer and fall and 100,000 sq. feet of Plastering with Sig Olson & Sons Plastering through the winter. New 7 story Altru Hospital project in Grand Forks that began this Summer with Marcy Const. and will continue throughout the Winter. Grand Forks Water Treatment Plant in Grand Forks with Rice Lake Const. who also has the Detroit Lakes W.T.P. UND Memorial Union project getting underway with Northland Concrete & Masonry. There are also many other smaller projects for our Plasterers and Cement Masons throughout the area.

Working with the Fair Contracting Foundation, other trades, and Evaristo Ocampo our International Organizer we continue to monitor prevailing wage projects for compliance and are also reaching out to School Districts and Cities throughout the area about the benefits of prevailing wage on their projects.

Don’t forget to check out our Local and Training Center websites and Facebook pages. Our NW Minnesota and North Dakota Holiday will be held at Stumps Bar & Grill Friday December 13th at 7:00 P.M. hope to see you there. Until next time, I wish you a Merry Christmas and a Happy prosperous New Year.

From Metro Business Agent: Tim Sturdivant

Hello Brothers and Sisters,

This has been an amazing year for work. If you’re like me the hardest part has been staying ahead of all the traffic changes. Still with the frustrations of commuting, who of us can complain with all the work going on.

Project wise 35W/94 Downtown to Crosstown is still going strong along with the Minnesota River Bridge project. The River Bridge project has diverted traffic to the N. bound lanes and has begun demolition of the S. bound bridge. The SWLRT is having a slower start than imagined but I think by spring things should be in full swing. Work is steady and there’s a lot on the books for next year. Right now our biggest focus is organizing to increase manpower.

The Women Build Nations Conference just wrapped up. It was a great experience to meet the Female Members from all over who did attend. Ladies definitely a must, if you did not get a chance to attend that movement is only getting stronger.

The Fargo diversion in the future. Minot Hospital project with Northland Concrete throughout the Winter. Grand Forks Water Treatment Plant in Grand Forks with Rice Lake Const. who also has the Detroit Lakes W.T.P. UND Memorial Union project getting underway with Northland Concrete & Masonry. Turkey Day and Christmas around the corner so I can’t help but think about all the Brothers and Sisters that are no longer with us. So I do urge us all to not worry about what you don’t have and be appreciative for the things that you do.

Fraternally Your Brother,
Big Tim Sturdivant

Hello from Southern Minnesota,

Where did the summer go? Work is still holding strong with an empty bench and the signing of many new members, a lot of apprentices with that being said, please all Journeyman take the time to help and teach these new members. Hopefully the future weather predictions of a snowy and colder than last year winter are wrong; we should have plenty of work. Changes to the Savings check are coming soon keep your eyes on your mail. Our Christmas meeting is set for December 12th at 6pm at the Eagles club please make every effort to attend, we will have food and drinks and other door prizes. P.S. If you get laid off, please call 507-250-0221. Work safe out there!
